DETAILED ACTION

Allowable Subject Matter

1. Claims 1-18 are allowed over the prior art of record.

Reasons For Allowance

2. The following is an examiner's statement of reasons for Allowance:

Regarding Independent claims 1 and 10, Applicant's particular method of storage device space management for storing stream data on storage devices of a streaming server where stream data transfers occur in rounds of fixed duration, which includes dividing the stream data into segments of stream data where each of the segments comprises an amount of stream data retrieved from the storage space of one storage device in response to one retrieval request, allocating storage space of the storage devices in strides where each of the strides comprises a contiguous chunk of storage space and that each of the strides is sized for storing at least one segment, and storing the segments in the strides in combination with other limitations of the claims, was not disclosed by, would not have been obvious over, nor would have been fairly suggested by the prior art of record Duso et al., U.S. Patent No. 6,625,750.

The dependent claims, being further limiting to the independent claims, definite and enabled by the specification are also allowed.

Art Unit: 2165

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
